

COVID-19 PROTOCOL

These safety procedures are subject to change based on guidelines provided by the National Institute of Public Health (RIVM). On our website you will always find the most recent version.

PLEASE NOTE THAT IF YOU OR ANY OF YOUR GUESTS IS FEELING UNWELL, TO NOT VISIT US UNTIL YOU ARE FEELING BETTER.

GENERAL INFORMATION

- All our staff is carefully monitored. Any employee that has been in contact with someone, or shows any symptoms of Covid-19 is not allowed on any of our properties.
- All our staff is required to wash and/ or sanitize their hands every 30 minutes.
- An intensive cleaning and sanitation schedule is maintained throughout our property with extra attention for high-contact surfaces and handles.
- Throughout our property you will find multiple hand sanitizer stations.

CHECK-IN & CHECK-OUT

- Optional contactless check-in and registration procedure before arriving on property.
- Optional contactless check-out procedure on your day of departure.
- We prefer card payments over cash payments.

GUEST ROOM

- Each guest room is deep cleaned and sanitized after each check-out.
- All hotel information is digitally available.

FOOD AND BEVERAGE

- A la carte breakfast is served in Harry's Restaurant.
- We prefer card payments over cash payments.
