

WINE MASTER CLASSES

Our sommeliers offer a unique opportunity to discover the treasures from the hotel's wine collection. We welcome groups of up to 6 people to our exclusive wine cellar, which features more than 400 selections. In an hour and a half, you will taste 5 wines (50 ml per glass) from special wineries, paired with charcuterie and canapés prepared by our chefs.

LEARN LOCAL

Taste local wines and learn about the local wine appellations and the history of making wine in Limburg. The two largest wine and most important Dutch (and partly Belgium) wine appellations are located here in the South. We taste different cool- climate grape varieties that are currently thriving in local vineyards
